Dear Mr. Whittington:

I am enclosing for your information a copy of correspondence I have recently received from a constituent who has asked for my assistance.

This is a matter which I think can most appropriately be addressed by someone from your agency. I would appreciate it if I could receive at your earliest convenience a complete response to the points covered in this communication. Your reply will, hopefully, enable me to provide a factual and informative answer to my constituent.

Thank you for your consideration of this request. Please mark your reply, along with return of the enclosure, to the attention of Carmie Henry of my staff.

Sincerely,

David Pryor
